Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the main board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Yours faithfully,
For and on behalf of the Board
Ma Qiang
Chairman

The following is the explanatory statement which is required to be sent to you under Rule 13.08 of the GEM Listing Rules in connection with the proposed general mandate for repurchase of Shares.

(i) The Repurchase Mandate

The resolution set out in Resolution 5 of the notice convening the Annual General Meeting will be proposed at the Annual General Meeting to grant a general and unconditional mandate to the Directors to repurchase, on GEM or any other stock exchange on which the Shares may be listed and recognized by the Securities and Futures Commission, Shares up to a maximum of 10% of the issued share capital of the Company at the date of passing of the resolution.

The Repurchase Mandate would continue in force until the conclusion of the next annual general meeting of the Company or the expiration of the period within which the next annual general meeting of the Company is required by the articles of association or any applicable laws of the Cayman Islands to be held or the Repurchase Mandate is revoked or varied by an ordinary resolution in a general meeting by Shareholders, whichever is the earliest.

(ii) Reasons for repurchase

Although the Directors have no present intention of repurchasing the Shares, they believe that it is in the best interests of the Company and its shareholders for the Directors to have a general authority from the shareholders to enable the Company to repurchase Shares in the market. Such repurchase may, depending on the market conditions and funding arrangement at the time, lead to an enhancement of the net assets value of the Company and/or its earnings per share and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

(iii) Share capital

As at the Latest Practicable Date the issued share capital of the Company comprised 3,558,724,852 Shares. Subject to the passing of the resolution approving the Repurchase Mandate, the Company would be allowed under the Repurchase Mandate to repurchase Shares up to a maximum of 355,872,485 Shares (assuming that there is no change in the issued share capital of the Company from the Latest Practicable Date to the date of the Annual General Meeting), representing not more than 10% of the total issued share capital of the Company as at the date of the passing of the Resolution 5.

(iv) Funding of repurchase

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and Articles of Association of the Company, the GEM Listing Rules and the applicable laws of the Cayman Islands. Any premium payable on a repurchase over the par value of the shares may be effected out of funds of the Company which would otherwise be available for dividend or distribution or out of the Company's share premium account. The Company may not repurchase Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange.

There may be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the 2018 Annual Report in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(v) **Share prices**

The highest and lowest prices at which the Shares have been traded on the Stock Exchange in each of the previous 12 months before the Latest Practicable Date were as follows:

4. Mr. Liu Fali is an executive director of the Company.

(vii) General information

- (a) None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company or any of its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders.
- (b) The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.
- (c) No core connected persons (as defined in the GEM Listing Rules) of the Company has notified the Company that he has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

(viii) Takeovers Code consequences

If the Repurchase Mandate were exercised in full, the percentage shareholding of the substantial Shareholders before and after such repurchase would be as follows (assuming there is no change in the issued share capital of the Company between the Latest Practicable Date and the date of such repurchase):

Substantial Shareholders	Before repurchase	After repurchase
Shiny Ocean	33.98%	37.76%
Mr. Ma Suocheng (including his concert parties)	53.32%	59.24%
Ms. Ma Xia (including her concert parties)	53.32%	59.24%
Ms. Ma Ye (including her concert parties)	53.32%	59.24%
Mr. Liu Fali (including his concert parties)	53.33%	59.25%
Mr. Yang Tao	7.65%	8.50%
Mr. Li Man	7.66%	8.51%
Mr. Lv Wenhua	6.75%	7.50%

If as a result of repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase may be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code as a result of any such increase. On the basis of the current shareholding of the above Shareholders, an exercise of the Repurchase Mandate in full will result in them becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code. In addition, full exercise of the Repurchase Mandate will reduce the amount of Shares held by the public to less than 25% of the total issued shares of the Company. The Company will not repurchase Shares to such an extent which would trigger a mandatory general offer under the Takeovers Code or result in the number of Shares held by the public being reduced to less than 25%.

(ix) Shares repurchase made by the Company

No purchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) during the six months immediately prior to the Latest Practicable Date.
